

## ASC REPORT: Eyri / Gen24

| Site info                               |                 |
|-----------------------------------------|-----------------|
| ASC certification                       |                 |
| Start of production cycle               | 19.08.2024      |
| End of production cycle                 |                 |
| Report last updated                     | 22/01/2026      |
| Estimated unexplained loss/gain         | 0               |
| WNMT                                    | 2               |
| Parasiticide agent used over the cycle  | Slice, Salmosan |
| The benthic parasiticide residue levels |                 |

| Wildlife interactions - overview | Number |
|----------------------------------|--------|
| Birds                            | 0      |
| Mammals                          | 0      |
| Number of escaped fish           | 0      |

| Wildlife interactions - birds |        |         |       |
|-------------------------------|--------|---------|-------|
| Date of incident              | Number | Species | Cause |
| N/A                           | 0      |         |       |

| Wildlife interactions - mammals |        |         |       |
|---------------------------------|--------|---------|-------|
| Date of incident                | Number | Species | Cause |
| N/A                             | 0      |         |       |

| Wildlife interactions - Fish escapes |        |       |  |
|--------------------------------------|--------|-------|--|
| Date of incident                     | Number | Cause |  |
| N/A                                  | 0      |       |  |

| Fish health Surveillance                      |      |
|-----------------------------------------------|------|
| Suspicious Unidentifiable transmissible agent | None |
| Detection of OIE - notifiable disease         | None |

| Lice    |                                                       |             |
|---------|-------------------------------------------------------|-------------|
| Date    | Average lice number<br>(number of mature female/fish) | Temperature |
| 2024/34 | no lice counting                                      | not taken   |
| 2024/35 | no lice counting                                      | 9.9         |
| 2024/36 | 0.02                                                  | 9.4         |
| 2024/37 | 0.01                                                  | 9.4         |
| 2024/38 | 0.36                                                  | 9.3         |
| 2024/39 | 0                                                     | 9.4         |
| 2024/40 | 0.32                                                  | 8.8         |
| 2024/41 | 0                                                     | 8.2         |
| 2024/42 | 0.08                                                  | 7.6         |
| 2024/43 | no lice counting                                      | 6.9         |
| 2024/44 | 0.04                                                  | 6.2         |
| 2024/45 | 0.04                                                  | 6.2         |
| 2024/46 | 0.03                                                  | 6.0         |
| 2024/47 | 0.06                                                  | 5.2         |
