

## ASC REPORT: Steinanes / Gen26

| Site info                               |            |
|-----------------------------------------|------------|
| ASC certification                       | 14.11.2024 |
| Start of production cycle               | 21.05.2026 |
| End of production cycle                 |            |
| Report last updated                     | 12.10.2026 |
| Estimated unexplained loss              | 0          |
| WNMT                                    | 0          |
| Parasiticide agent used over the cycle  |            |
| The benthic parasiticide residue levels |            |

| Wildlife interactions - overview | Number |
|----------------------------------|--------|
| Birds                            | 1      |
| Mammals                          | 0      |
| Number of escaped fish           | 0      |

| Wildlife interactions - birds |        |         |         |
|-------------------------------|--------|---------|---------|
| Date of incident              | Number | Species | Cause   |
| 11.08.2026                    | 1      | Seagull | Birdnet |

| Wildlife interactions - mammals |        |         |       |
|---------------------------------|--------|---------|-------|
| Date of incident                | Number | Species | Cause |
| N/A                             | 0      |         |       |

| Wildlife interactions - Fish escapes |        |       |  |
|--------------------------------------|--------|-------|--|
| Date of incident                     | Number | Cause |  |
| N/A                                  | 0      |       |  |

| Fish health Surveillance                      |      |
|-----------------------------------------------|------|
| Suspicious Unidentifiable transmissible agent | None |
| Detection of OIE - notifiable disease         | None |

| Lice    |                                                       |             |
|---------|-------------------------------------------------------|-------------|
| Date    | Average lice number<br>(number of mature female/fish) | Temperature |
| 2026/21 | No counting                                           | 5.08        |
| 2026/22 | No counting                                           | 5.56        |
| 2026/23 | No counting                                           | 6.18        |
| 2026/24 | No counting                                           | 8.10        |
| 2026/25 | 0.00                                                  | 8.22        |
| 2026/26 | 0.00                                                  | 9.02        |
| 2026/27 | 0.00                                                  | 8.94        |
| 2026/28 | No counting                                           | 9.65        |
| 2026/29 | 0.02                                                  | 9.57        |
| 2026/30 | 0.01                                                  | 10.18       |
